

## Fall Festival Report- 2022

### Amazing!

Thank you doesn't even begin to quantify the good that you all did spreading goodwill and service to those visiting St Peter's for the fall festival! Your smiles and can-do attitudes were on display! Plus, we had delivered enough chicken and fixings to Twin Oaks for about 40 folks and another pile of chicken for the Rescue Project plus donations to the Holiday Help program plus meals to the Heritage plus dinners to Bowers plus delighted children playing and winning at games plus some happy pull tab winners plus bar drinks plus happy diners plus bargains from the second floor.... the list of joyful faces and full tummies was wonderful to see. Thank you for continuing to spread the wonders of God's world to others. Did you know that Senator Steve Nass and Country Board supervisor Sheila Reiff were enjoying our festival?

Thanks, Ed Hojnacki, for delivering orders to the Heritage & Bowers! Love that you do this, and the folks comments warmed our hearts. Thanks to the **Quilting Hands** that donated two beautiful quilts. Congratulations to the Thome family for winning the Beautiful Queen and John Frymark for the Christmas Quilt.

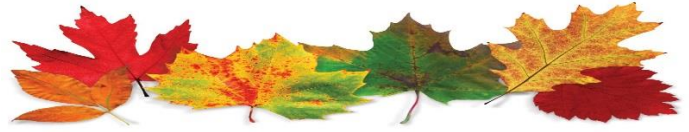

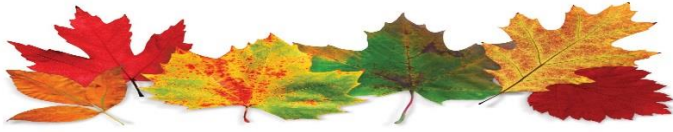

Please thank these **sponsors** listed below and such generous people that want to remain anonymous. Simply joyful the raffle baskets, rummage items, silent auction prizes, baked goods, homemade and grown items that multiply as the weekend unfolds! Your generosity is heart-warming.

A special thank you to **Jane Iloncaie, Cheryl Friemoth, Julie Cotter, Lisa Feyen, Tracey Gross, Mary Rozmarynowski, Bev Helbling, Jess Hartranft, Pat Whiting, Josie Schurek and Rochelle Verick** to make this fundraiser work. Your commitment from the beginning to the end was awesome. Thank you.
