

Our K3-3rd grade students will be making blankets for the animals at the Lakeland Animal Shelter. If you are able to donate one yard of fleece for this project, please bring it to the school office by January 31, 2022. The students will be using this fleece to make it into tie blankets for the animals.

If you are interested in helping out the animal shelter even MORE, please see the attached list of items they are currently in need of. We will have a table in the hallway for any animal shelter donations. We will be collecting donations from January 31, 2022 through February 7, 2022.

Thank you so much for helping us to make a difference in our community!
