

Fall Festival Report-

Wow! We feel truly blessed for the wonderful weather, beautiful turn out of volunteers, steady pace at all places, the donations by our sponsors, the flexibility of the school staff and the folks that came and enjoyed our Festival! The **dining room** tables, and setup was coordinated by **Deb Leising & Tricia Mitten** with the table decorations provided by the **school**. The **White Elephant** sale was open thanks to **Jane Iloncaie** and her crew and coordinating efforts and the **school children** for carrying the boxes & boxes of items. The **energetic KCs** for their **potato peeling**, bartending talents in both the dining room and gym. Moscato and Sangria seemed to be the drink of choice. They even had TVs going, popcorn flowing, pull tabs ripping and lots of stories & jokes to share. **Lisa Feyen and the crew** had the **games** ready for an early Sunday morning set up planned. The **Country Store** was in the gym with loads of baked goods, homemade crafts & canned goods and produce from area farmers to include Quidnow's, Friemoth's and Bower's. The Peanut/cameral apples were delightful.

It was amazing how all the folks shared the kitchen space and how streamlined the process seemed. Thank you to **Diane & Gary Hamilton** for such preparation to make this process work. Amazing how many folks came to help prepare the chicken, make the coleslaw, cut and peel potatoes, make the broth, prep the stuffing and make ready things for Sunday, all under the watchful eye of a former nurse... so cleanliness was a top priority! This was their last year chairing the kitchen. They have super notes for anyone interested in taking on this chair.

Special thanks to **Jess Hartranft and her crew** for the carry out section. She too has streamlined this process. Did you see the add on? She reduced the stress of standing in line by having long time volunteer Linda Coates take their order and then

gave them a chance to shop while their order was filled! Over 330 meals through take out. Thanks, Ed Hornacki, for delivering 15 to the Heritage!

Thanks to **Judy Kmiec & Pat Lucas** for volunteering their time to ensuring folks had startup money, keeping track of what each area brought in. Thanks to the **Quilting Hands** that donated the Queen size quilt (424 tcks sold) to selling lap size/baby quilts.

The gang started at 6:00 am to prep the dressing with **Marie & Dan Plumb** taking the lead. Then on to the gym set up, the chicken, the coffee brewing, the take out crew prepping for 300 orders, finishing touches for dining room set up, kitchen set up, collecting raffle tickets & quilt tickets, collecting pies & cakes & plants, and more crafts and white elephant items arriving. Then the guests arrived having seen the **advertising** done by **Peg Borgert** and each area welcomed them in. It was wonderful to see families (one brought in 34 family members!) and many stayed for a couple hours enjoying the food, fun and games.

And we certainly appreciate the **clean-up crew** for their strength in moving all the tables, chairs, items and getting things back to their original storage area so school could begin the following day without a trace of dirt or items out of place. This team was awesome and completed in record time! From **Dave Leising, Dan Leising, Darryl Markham, Eileen Kostopapas, the Schweders, the Feyens and all of their families** and many others that stayed around or just showed up to help **Daryl** to direct them all.

Thank you to **all the volunteers and contributors** to this marvelous event. Without your support and the Holy Spirit, we could not do this. Hope you connected with other parishioners during your shift and had time to rummage and roam.

We are sincerely blessed with having the amazing staff that supports us from the endless amount of

questions, to directing on who to ask to fill the budget requests to sharing the school space: **Fr Mark, Megan Prudom, Deb Borkhuis, Suzanne Kasper, Renae Robran, Maryann Zaremba** as the leaders that they are!

Please thank these sponsors listed below and such generous people that remain anonymous from contributing **17 raffle baskets and 6 Silent Auction items** to everything in between to make this event possible. We thank you.

Thank You, LORD!

In this **58th** year of Fall Festivals at St. Peter's, we give thanks to all those before us who volunteered to help support our church mission and know they did their best. We are most grateful. Be on the lookout in the next few weeks on what our bottom-line financial outlook for this event was. To us, the success was seeing friends from the past, serving their bodies and souls with food and nourishment in a community of faith. Peace.
